PETITIONING THE COURT

To issue a summons and to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/21/2017.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

3

Special Condition # 14: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Ms. Flores' conditions were reviewed with her on December 8, 2017. She signed her conditions acknowledging an understanding of her conditions which includes special condition number 4, as noted above.

Per Ms. Flores' referenced condition of supervised release, she was referred to random urinalysis testing at First Step Community Counseling Services on December 28, 2017. She was assigned the color "brown" and was directed to call First Step's urinalysis hotline daily. In the event that First Step reported that the color of the day was "brown," she was directed to report to their office and submit to testing.

On January 2, 2018, the color of the day for drug testing at First Step was "brown." Ms. Torres reported to First Step as directed and provided a urinalysis sample which tested presumptive positive for methamphetamine and amphetamine. First Step sent the urinalysis sample to Alere Laboratory for confirmation on the same date. Alere Laboratory reported on January 8, 2018, that the urinalysis sample submitted by Ms. Flores on January 2, 2018, was confirmed positive for methamphetamine.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a summons requiring the defendant to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
